

for the next week
for the next 7 days
for the next 168 hours
for the next 10,080 minutes
- sing -
any song
any reason
anywhere
sing in the shower
sing while you cook
sing while you wash the dishes
sing while you love
sing while you fuck
sing while you cry
sing on the bus
on the subway
in your car
on a train
on a plane
in class
at work
sing to your children
sing for the weary mothers of libya
sing in support of spawning salmon
sing for birds migrating home
sing for larva dreaming of becoming flies
sing for that person you miss terribly
sing for your grandparents
sing to the person you wish to become
sing along with the people of wisconsin
sing along with fathers putting their babies to sleep
sing to the books you read
sing along every time you hear someone singing
sing for those who have forgotten how to sing
sing the songs you have forgotten from childhood
sing the songs you want sung around your grave
sing to the joggers in the park
sing to the cyclists as they whiz by
sing love songs to the traffic that holds you captive
sing ballads to your family who drive you crazy
sing to your nephews so that they may learn how to sing
sing to your pets
your plants
your piano
your bed
sing for the man who begs you for change
sing for the earth which begs you for change
sing for japan
sing for the fear of hearing your own strong voice
sing for the fear of ridicule
sing for those who will stare at you
sing for those who will understand
sing for those who will understand eventually
sing for those who were dying to hear your song
but never knew it
